

SSHADE Users Newsletter – February 2024 –

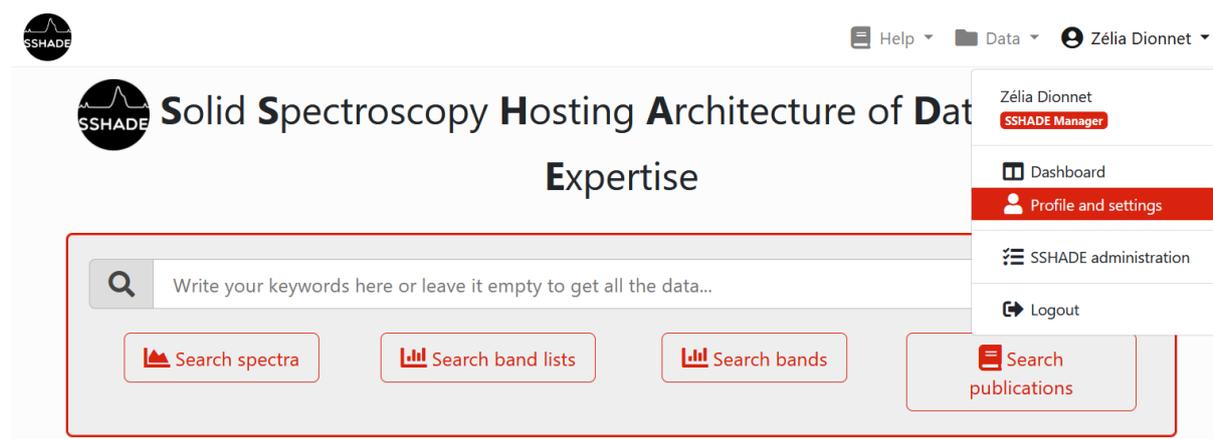

6th anniversary of SSHADE and how to change your e-mail login

Dear SSHADE users,

We are celebrating this month the 6th anniversary of the public launch of SSHADE. SSHADE has evolved significantly over the past years and is now a very rich infrastructure.

Currently, SSHADE hosts 20 active databases with an additional 8 in the initial phase. The platform encompasses over 7,500 spectra from over 3,000 solid samples, including ices, minerals, rocks, meteorites, and more. Moreover, in 2021, SSHADE has expanded its capabilities by introducing a new component—the band list database. A 'band list' comprises parameters such as position, width, intensity, and vibration modes of molecules, minerals, or ionic/covalent solids. SSHADE now boasts a collection of 64 band lists.

For our longest-standing users, your email address may have changed over this time. That's why, on this anniversary, we want to remind you how to update your login email address. Once logged in, the first thing to do is click on 'Profile and Settings.'

The screenshot displays the SSHADE web application interface. At the top left is the SSHADE logo. The main header reads "Solid Spectroscopy Hosting Architecture of Data Expertise". In the top right corner, there are navigation links for "Help", "Data", and a user profile for "Zélia Dionnet". A dropdown menu is open for the user profile, listing options: "SSHADE Manager", "Dashboard", "Profile and settings" (highlighted in red), "SSHADE administration", and "Logout". Below the header is a search bar with the placeholder text "Write your keywords here or leave it empty to get all the data...". Underneath the search bar are four search buttons: "Search spectra", "Search band lists", "Search bands", and "Search publications".

This will take you to an 'Identity' page where your personal information is grouped. By clicking on 'Edit,' you can modify your name, surname, ORCID, and email address.

The screenshot shows the SSHADE user interface. At the top, there is a search bar with the text 'Spectrum' and a search icon. To the right, there are links for 'Help', 'Data', and the user's name 'Zélia Dionnet'. The main content area is divided into a left sidebar and a main panel. The sidebar contains navigation options: 'Dashboard', 'Exports', 'Imports', 'Searches', 'Spectrum Import', 'Profile', 'Data access', 'Identity' (highlighted in red), and 'User settings'. The main panel is titled 'Identity' and contains the following information:

- First name:** Zélia
- Family name:** Dionnet
- Experimentalist:** EXPER_Zelia_Dionnet
- E-Mail:** zelia.dionnet@universite-paris-saclay.fr

Below the 'Identity' section, there is a 'Laboratories' section with the following information:

- Previous Name:** Institut d'Astrophysique Spatiale (IAS)

In the top right corner of the 'Identity' section, there are two buttons: 'Change password' and 'Edit'. A red arrow points to the 'Edit' button.

After entering your new email address, it will appear below the old one on the 'Identity' page. You will receive an email that will allow you to validate this new address, and it will then permanently replace the old one.

The screenshot shows the SSHADE user interface after an email update. At the top, there is a search bar with the text 'Spectrum' and a search icon. To the right, there are links for 'Help', 'Data', and the user's name 'Zélia Dionnet'. The main content area is divided into a left sidebar and a main panel. The sidebar contains navigation options: 'Dashboard', 'Exports', 'Imports', 'Searches', 'Spectrum Import', 'Profile', 'Data access', 'Identity' (highlighted in red), and 'User settings'. The main panel is titled 'Identity' and contains the following information:

- Info:** Your request has been processed. Please check your mailbox and click on the link in order to validate your new email address.
- First name:** Zélia
- Family name:** Dionnet
- Experimentalist:** EXPER_Zelia_Dionnet
- E-Mail:** zelia.dionnet@universite-paris-saclay.fr
- E-Mail update waiting for validation:** zelia.dionnet@universite-paris-saclay.fr

In the top right corner of the 'Identity' section, there are two buttons: 'Change password' and 'Edit'.

You can now be sure that you'll be collaborating with us for a long time to come and that you won't miss any SSHADE newsletters ;).

Have fun with SSHADE data!

The SSHADE Team
